Pallanza enjoys a privileged location, overlooking Lake Maggiore and facing the Borromean Islands. Together with Intra and Suna, Pallanza is one of the most important towns in the Verbania region. The historic centre is criss-crossed by centuries-old streets and squares with historic buildings with ornate doorways, porticoes and capitals. Pallanza's waterfront is one of the most beautiful on Lake Maggiore; a walk along the promenade with the lake and the Borromean Islands on one side and colourful facades, porticoes, flowery balconies, terraces and cafes on the other is a very pleasant experience. Bustling with visitors during the day and well into the evening, this is the city's main meeting place.

About ItaliaCasa

ItaliaCasa is a fully accredited Italian real estate agency, specialized in the assistance of foreign property buyers in the most beloved parts of Italy. We combine the best of two worlds. Firmly settled in Italy, we do not forget our northern European roots. Our multilingual representatives in Italy are a guarantee for a perfect understanding of the local market conditions. We understand our international clients as we do understand the Italian way of doing business. This enables us to offer to our clients the best possible assistance during the buying process.

Why choose for ItaliaCasa?

A successful purchase in Italy does not end with the finding of the right property on a web site. Especially nowadays an interested buyer can find many intermediaries and web portals through which foreign properties are being offered for sale. Often these type of companies lack any knowledge of Italian real estate, the market situation and the legal system in Italy. It is important to choose an officially registered agency who not only knows their properties, but also can properly facilitate the entire buying process with its expertise. According to ItaliaCasa this is when the important part only begins. The completion of the purchase is the work of specialists who know where problems can arise and which matters require extra attention during the purchase. All land registry, legal and permit aspects are being mapped so the interests of the client are optimally being looked after. The end result is a purchase without worries!
