Ref. 6128: Restored, immediately habitable house with garden, ideal as a holiday home, beautifully finished and idyllically located amid the rolling hills of Le Marche

Asking Price: € 310.000

Description

Perfectly restored house situated just outside the castle walls of the idyllic borgo Loretello, municipality of Arcevia, provincia Ancona, Le Marche. The house has a modern kitchen, living room and bathroom on the ground floor, and 2 bedrooms on the first floor, all spread over a living area of 135 m² and all rooms have a beautiful beamed ceiling. The garden is very low-maintenance, covers an area of about 1,000 m², and offers spectacular views over the hills and vineyards and olive groves, making this house a unique property. For those looking for peace and quiet, yet not too isolated, this is a perfect property. All utilities are present and working.

Of the castles of Arcevia, Loretello is the oldest: it was first mentioned in 1072 and was built, together with the church of S. Andrea, by the monks of Fonte Avellana. The most important building, besides the spectacular brick entrance bridge, is the large 15th-century round tower. Today, a thriving hospitality business has sprung up within its walls, reconciling hospitality and the search for tranquillity typical of the Marche hinterland. The atmospheric restaurant serves very good local specialities and wines from the immediate region. In summer, one can enjoy a meal and the welcoming atmosphere in the garden there. There is also a bar with a terrace on the edge of the borgo where one can experience "La Dolce Vita" while enjoying an Italian breakfast, a cappuccino or an aperitivo, enjoying one of the most beautiful views of Le Marche. The borgo of Loretello is at an altitude of 300 m, very easy to reach via a tarmac road, and a fine starting point for day trips in the region.

About ItaliaCasa

ItaliaCasa is a fully accredited Italian real estate agency, specialized in the assistance of foreign property buyers in the most beloved parts of Italy. We combine the best of two worlds. Firmly settled in Italy, we do not forget our northern European roots. Our multilingual representatives in Italy are a guarantee for a perfect understanding of the local market conditions. We understand our international clients as we do understand the Italian way of doing business. This enables us to offer to our clients the best possible assistance during the buying process.

Why choose for ItaliaCasa?

A successful purchase in Italy does not end with the finding of the right property on a web site. Especially nowadays an interested buyer can find many intermediaries and web portals through which foreign properties are being offered for sale. Often these type of companies lack any knowledge of Italian real estate, the market situation and the legal system in Italy. It is important to choose an officially registered agency who not only knows their properties, but also can properly facilitate the entire buying process with its expertise. According to ItaliaCasa this is when the important part only begins. The completion of the purchase is the work of specialists who know where problems can arise and which matters require extra attention during the purchase. All land registry, legal and permit aspects are being mapped so the interests of the client are optimally being looked after. The end result is a purchase without worries!
