Asking Price: € 1.650.000

Description

Villa Monastero Santo Stefano is an exceptional property for sale set in the open countryside of Le Marche, perfectly positioned between the Adriatic Sea and the Sibillini Mountains. Surrounded by 360° panoramic views, the villa nestles into the hillside and has been a focal point of the landscape for centuries. With two apartments, an annex, a private chapel, a 5-hole golf course, a pond, and a swimming pool, this estate offers a rare combination of history, luxury, and versatility – ideal as a private retreat, holiday home, or high-end wedding venue.

Originally a small monastery complete with its own chapel, the property was acquired in 2000 in a state of ruin and has been meticulously restored. The renovation honours the original character, with antique terracotta floors, exposed beams, stone walls, and open fireplaces, while incorporating modern comforts such as en-suite bathrooms, fully equipped kitchens, wireless internet, and satellite TV.

The main house (approximately 600 sqm) was designed to serve as a permanent residence for the owners, while also functioning as a unique holiday and event venue. The house features multiple kitchens to provide flexibility, one of which has been converted into a library but can easily be returned to its original use. A fourth kitchen is located in the annex.

The ground floor is interconnected, providing the feel of a large family home, yet could be divided into three self-contained units if required.

Ground Floor:

- Entrance hall
- Two spacious living rooms with open fireplaces
- Two fully equipped kitchens, including one with a winter fireplace
- Utility room
- Large shower room
- WC with wet room shower
- Small library
- Dining room with open fireplace

First Floor:

Accessed via three staircases, the first floor offers flexibility for family or guest use:

- Oratorio wing: two double bedrooms, both en-suite (one with whirlpool bath, one with walk-in shower)
- Granaio (central wing): three double bedrooms, all en-suite
- La Stalla wing: one double bedroom with en-suite, one single bedroom (no en-suite), and one suite with a mezzanine bedroom and en-suite bathroom

The Annex

The grounds include a separate annex (approximately 75 sqm) with its own kitchen, shower room,

living and dining area, private terrace, and garden. Additional facilities include a laundry and linen store, plus a traditional pizza oven – ideal for staff accommodation or guest use.

The Private Chapel

A charming chapel (Chiesa) at the front of the property can be used for weddings or as a small gym. It is currently accessed externally but could easily be linked to the main house via the library or a kitchen.

The Grounds

Set on 2 hectares, the landscaped gardens include a 5-hole golf course with automatic irrigation, a 15-metre irregular swimming pool, formal gardens with a fountain, and a small lake integrated into the golf course design. Olive groves, fruit trees, and a large paved terrace provide perfect areas for outdoor entertaining, al fresco dining, or weddings.

Location

The villa enjoys an exceptional position within reach of both the Adriatic beaches of Sirolo, Numana, and Portonovo, and the Sibillini Mountains, both approximately an hour away. Ski resorts are accessible within an hour's drive during winter. On clear days, both sea and mountain views can be enjoyed from the property.

Le Marche is often described as "Italy in one region," offering Adriatic beaches, mountains, rolling hills, medieval towns, art, nature, and exceptional food and wine.

The property is conveniently located just 45 minutes from Ancona Airport, with flights to London, Brussels, Munich, and other European destinations. Rome and Bologna are around three hours' drive, with further connections via Rimini and Pescara airports.

About ItaliaCasa

ItaliaCasa is a fully accredited Italian real estate agency, specialized in the assistance of foreign property buyers in the most beloved parts of Italy. We combine the best of two worlds. Firmly settled in Italy, we do not forget our northern European roots. Our multilingual representatives in Italy are a guarantee for a perfect understanding of the local market conditions. We understand our international clients as we do understand the Italian way of doing business. This enables us to offer to our clients the best possible assistance during the buying process.

Why choose for ItaliaCasa?

A successful purchase in Italy does not end with the finding of the right property on a web site. Especially nowadays an interested buyer can find many intermediaries and web portals through which foreign properties are being offered for sale. Often these type of companies lack any knowledge of Italian real estate, the market situation and the legal system in Italy. It is important to choose an officially registered agency who not only knows their properties, but also can properly facilitate the entire buying process with its expertise. According to ItaliaCasa this is when the important part only begins. The completion of the purchase is the work of specialists who know where problems can arise and which matters require extra attention during the purchase. All land registry, legal and permit aspects are being mapped so the interests of the client are optimally being looked after. The end result is a purchase without worries!
