This area is characterised by a breathtaking natural landscape with hills, forests and rich Mediterranean vegetation.

San Leonardo is known for its quiet and traditional atmosphere, making it an ideal place for those seeking to get away from the hustle and bustle of the cities. One of the most fascinating aspects of San Leonardo are its cultural and religious traditions. The town hosts several festivities and celebrations, some of which are related to local saints. In addition, the architecture of the churches and historical buildings offers an insight into Sardinian history and culture. The area is also an excellent starting point for exploring other attractions in Sardinia, such as the beautiful beaches along the coast and archaeological sites dating back to ancient times. Nature lovers can enjoy hiking and walking in the surrounding area, which offers the opportunity to immerse oneself in the natural beauty of the island.

The area, rich in chestnut, holm-oak and oak woods, offers contact with unspoilt nature and a few minutes' drive away it is possible to reach the Badde Urbara observation point from which it is possible to observe the Oristanese plain.

The entire surrounding area offers several trekking routes and viewpoints, both of which can be reached within a few minutes' drive, and which can also be travelled on foot and by bicycle.

In the hamlet there are catering activities, such as restaurants, bars and pizzerias, as well as one of the main equestrian centres in Sardinia, where the Regional Horse Fair has been held for decades.

About ItaliaCasa

ItaliaCasa is a fully accredited Italian real estate agency, specialized in the assistance of foreign property buyers in the most beloved parts of Italy. We combine the best of two worlds. Firmly settled in Italy, we do not forget our northern European roots. Our multilingual representatives in Italy are a guarantee for a perfect understanding of the local market conditions. We understand our international clients as we do understand the Italian way of doing business. This enables us to offer to our clients the best possible assistance during the buying process.

Why choose for ItaliaCasa?

A successful purchase in Italy does not end with the finding of the right property on a web site. Especially nowadays an interested buyer can find many intermediaries and web portals through which foreign properties are being offered for sale. Often these type of companies lack any knowledge of Italian real estate, the market situation and the legal system in Italy. It is important to choose an officially registered agency who not only knows their properties, but also can properly facilitate the entire buying process with its expertise. According to ItaliaCasa this is when the important part only begins. The completion of the purchase is the work of specialists who know where problems can arise and which matters require extra attention during the purchase. All land registry, legal and permit aspects are being mapped so the interests of the client are optimally being looked after. The end result is a purchase without worries!
